

COMMERCE, JUSTICE, SCIENCE,
AND RELATED AGENCIES APPROPRIATIONS ACT, 2020

SPEECH OF

HON. ROGER W. MARSHALL

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 19, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 3055) making appropriations for the Departments of Commerce and Justice, Science, and Related Agencies for the fiscal year ending September 30, 2020, and for other purposes:

Mr. MARSHALL. Madam Chair, I rise today because American farmers, grain handlers and exporters, as well as their customers around the world, depend on accurate, timely and cost-effective delivery of mandated impartial third-party Official inspection and weighing services administered by the Federal Grain Inspection Service (FGIS) and its designated and delegated agencies. It is essential that the U.S. Official grain inspection and weighing system be recognized widely around the world for its impartial, consistent, reliable and timely measurement and certification of quality attributes and weights. The availability of accurate FGIS inspection results is also important to enable buyers and sellers to determine grain value and to facilitate market price discovery. Further, Official export inspections provide transparency and market information to the entire value chain that contribute to an efficient marketplace, while supporting food security and sustainable supplies.

I share the concerns of many of my colleagues about language included in the committee report by the Majority for H.R. 3055 that puts Congress in the middle of an ongoing labor dispute, even going so far as to urge that USDA not require its grain inspectors to cross a picket line. This language is extremely troubling, and Congress should not be including it in any final committee report for the Agriculture Appropriations bill. Thankfully, the Minority was able to include its concerns about the situation which I would like to include in the RECORD:

"In addition to overall funding concerns, Republican Members of the Committee were disappointed by several policy provisions. Some of the provisions encourage violation of federal law or Congressional intent, at a minimum. For example, the Majority included language under the heading of the Office of the Secretary relating to Grain Export Inspection. The language "strongly discourages USDA from requiring its grain inspectors to cross a picket line". Such language is irresponsible when the Grain Inspections Act clearly obligates inspectors to conduct inspections unless the Secretary were to waive the requirement for safety reasons. Using USDA inspectors in a labor dispute and interfering with the export sales of U.S. product during an already turbulent international trade environment is completely unnecessary."

Our producers, grain handlers, and the agricultural value chain as a whole has worked tirelessly to grow market share around the world and Congress should refrain from instructing USDA not to perform important services that are statutorily obligated under the Grain Standards Act.

IN APPRECIATION OF MARK
BENSON'S WORK IN IDAHO

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2019

Mr. SIMPSON. Madam Speaker, I rise today to honor a great friend to Idaho, Mark Benson, who is retiring after a 42 year career with PotlatchDeltic. The last 13 years he has been Vice President, Public Affairs. However, his title to me is a friend and trusted advisor.

I met Mark when I was in the Idaho Legislature. He quickly established himself as a valuable advisor on forestry and paper products which is a large economic driver in Idaho. Mark has the unique ability to explain an issue and the impacts from every perspective and gives always gives an honest assessment of the status.

Mark worked at nearly every level of PotlatchDeltic, starting as a field forester in 1974. He has left his mark on the industry and will be remembered for founding the National Alliance of Forest Owners who is a leading voice on all the issues facing forestry.

Mark has been a great friend to my staff and me. To Mark, PotlatchDeltic was not just a job, it was a lifestyle and he treated his colleagues like family. Mark is also an incredible husband and father as witnessed by his supportive wife Patti and three amazing daughters who now have families of their own. No doubt, this will be the focal point of his retirement alongside his many hobbies including golf, hunting, and travel.

If I have one gripe with Mark, it is that he never let me win on the golf course. As kind and generous as he is, he could never seem to find it in his heart to let a putt or two slide by. Perhaps I will be able to change that now that he has more time to hit the links.

I wish Mark and Patti and the rest of their family a terrific and well-deserved retirement. I look forward to keeping in touch with him as a friend and seeing him back in Idaho.

HONORING LINDA TAVASZI, PH.D.

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2019

Mr. HUFFMAN. Madam Speaker, I rise today in recognition of Linda Tavaszi, Ph.D., as she receives Marin Community Clinics' Lifetime Achievement Award for her decades of exemplary service promoting community health.

Born in Brooklyn, New York, in 1940, Dr. Tavaszi lived in Florida and Alabama before returning to New York to earn a graduate degree in social work from Fordham University. Dr. Tavaszi earned a masters in health administration from the University of Southern California, and a Ph.D. in health care administration from Walden University in Florida. Dr. Tavaszi began her life-long career in health care, most of which was spent working in Marin County.

Dr. Tavaszi came to Marin County as chief operating officer at Marin General Hospital in 1982. Under her leadership, Marin General opened a new emergency department and de-

veloped Marin's first and only cardiac surgery program. As president of the Health Council of Marin and the local chapter of the American Heart Association, Dr. Tavaszi's commitment and dedication to the community extended beyond her role at Marin General.

In 1994, Dr. Tavaszi was asked to oversee an American-owned hospital in Barcelona, Spain, where she and her family spent two years helping steer that project to success. Once back in California, Dr. Tavaszi oversaw the mergers of two hospitals in the East Bay, and she returned to Marin County as chief executive officer of Kentfield Rehabilitation Hospital. After great success there, she returned to Marin General in 2004. In 2011, Dr. Tavaszi became CEO of Marin Community Clinics. During her tenure at Marin Community Clinics, Dr. Tavaszi expanded patient capacity and comprehensive services for seniors and the homeless population. From 2017 to 2018 Dr. Tavaszi served as the chief executive officer of Ritter Center where she provided valuable assistance during a transition in leadership.

Madam Speaker, Dr. Tavaszi's career of leadership and vision has helped hospitals and clinics in our region provide affordable, high-quality health care to our most underserved populations. Therefore, please join me in recognizing Dr. Linda Tavaszi on her well-deserved honor and in wishing her the best of luck in her continuing pursuit of quality health care for people in need.

COMMEMORATION OF THE TREE
OF PEACE

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 20, 2019

Mr. CLEAVER. Madam Speaker, I rise today to commemorate the planting of the Tree of Peace on the grounds of the National World War I Museum and Memorial in Kansas City, Missouri. This ceremony is dignified by the presence of Mr. Ross P. Marine, the Honorary Consul of the Slovak Republic to the Midwest United States and board member of the Czech and Slovak Club of Greater Kansas City. During his eighteen-year tenure as Honorary Consul, Mr. Marine has worked to strengthen the economic, social, and cultural ties between Slovakia and Mid-America, and this spirit of international cooperation is reflected by the Tree of Peace project. Since the dedication of the National WWI Museum and Memorial on Armistice Day in 1926, Kansas City, Missouri has been home to the country's foremost institution committed to preserving the history of the First World War. In the shadows of the Liberty Memorial—the most fitting location our country offers for this project—the Tree of Peace will convey a message of goodwill and contribute to the reflective nature of this consecrated site.

Between July 28, 1914 and November 11, 1918, the First World War claimed the lives of nine million combatants and nearly eight million civilians. Another twenty-one million military personnel were wounded during the course of the war. In the United States alone, over 116,000 servicemen were killed, 204,000 were wounded, and 3,350 went missing. Among the American casualties, 441 were from Kansas City. To this day, World War I remains among the most costly and destructive wars in history.
